

**OCEAN EXPORT TERMS AND CONDITIONS**

**LOADING**

LOTUS SHIPMENT # \_\_\_\_\_

- 1) Lotus Terminals Ltd. employs experienced and professional staff for the loading and handling of all equipment;
  - 2) Lotus recommends that a Marine Cargo Surveyor supervise the stowage and securing of all ocean equipment and issue a lashing certificate;
  - 3) If you do not wish to have a lashing certificate issued by a Marine Cargo Surveyor, any additional costs assessed by the steamship line or port will be passed back to you;
- a) This may include, but not be limited to: removing/re-working/returning the shipment and/or steamship line assigned Marine Cargo Surveyor costs.

**CONTAINER CAPACITY**

- 4) Lotus will not load any equipment beyond the stated carrying capacity stated on the physical equipment;

**CLEANING & CLEANLINESS**

- 5) Lotus can arrange for a basic cleaning of the freight and/or container prior to exporting;
- 6) Lotus does not accept responsibility should the cleaned freight and/or container be denied entry into the destination country or if any damage, costs or fines are incurred, despite our best efforts; and
- 7) Lotus recommends having a Marine Surveyor inspect your shipment prior to departure.
- 8) Notwithstanding any other document, Lotus is not responsible to inspect the exterior of a container or other equipment. Furthermore, Lotus is not responsible to inspect the contents or packaging of freight to determine its viability for export nor whether it meets the receiving country's import regulations, including those in regards to timber, unless added by Lotus. By signing below, the customer confirms that all such freight and packaging meets such requirements and saves Lotus Terminals Ltd. harmless if any substance and/or container/equipment is found not in compliance and indemnifies Lotus from any resulting costs. Any declarations the customer requires Lotus to complete is based on the customer's confirmation of the above and Lotus' reliance thereof.
